APA Prepares for Bargaining a Successor Contract

Per Article VII of the APA Constitution and Bylaws, the APA must begin preparations to negotiate a successor agreement by appointing the Negotiations Committee in January of the year our current contract is set to expire.

An initial solicitation for anyone interested in serving on the committee was included in the January/February APA Newsletter and those who responded were appointed to the committee by the APA Executive Board. The committee is a cross-section of more than 30 APA members who work in varied classifications and departments and come to the committee with different interests and years of service at MSU.

As you likely recall, the APA negotiated and ratified our current wage and health care agreement, which is in effect through 2020 – 2021, that ensures wage increases each year as well as fully funded health care for the base plan (BCN). A reminder that this October 2019, all APA members will be eligible for a 2.75% base wage increase. Therefore, the topics of base wage and health care will not be open for negotiation in the APA contract bargaining cycle this year.

The APA anticipates negotiations with MSU to begin in late summer. Prior to that time, the APA will be engaging members and soliciting input for bargaining through surveys, feedback forums, and email. Ultimately, any tentative agreement reached at the bargaining table must be ratified by a vote of all APA dues paying members.

Be sure to watch for official APA ListServ messages regarding contract input surveys and open meeting dates prior to and during the 2019 bargaining cycle. If you have questions, please feel free to email msuapa@msu.edu or contact the APA office at 517.999.4004.

Show Support For Your Union

We invite you to show others that you are a union member and part of the largest bargaining union on campus by displaying our APA logo in your worksite. Maybe you picked up one of the APA pins, magnets, lanyards, keychains or other swag from one of the APA events. If not, or you have misplaced it, there is one below to print (from your non-work printer) to display somewhere in your workstation. You can print in black or green ink.

You never know when APA Membership Committee members may be stopping by your worksite. Members in good standing who are displaying the APA or MEA logo when the surprise patrol stops by, will receive a prize. Prize patrols will start in June.

Annual Gathering

While other parts of the country were experiencing severe storms and tornados, the weather in East Lansing was pure sunshine for our annual APA picnic. Held on May 21 at Patriarche Park, the picnic provided a chance for APA members to take the night off from cooking and to gather with fellow union members and their families for a social and networking event.

A family friendly event for kids of all ages, with toys and activities provided and of course the snow cones were a big hit with both children and adults.

APA members who won door prizes include: Dave Graff, Allen Scheck, Haida Lopez, Geronimo Felipe and Stephanie Bahorski.

Members also had a chance to contribute to an *Idea Board* for contract negotiations as the Bargaining Committee begins to seek input from members on proposed language changes, conditions of employment and benefits for the upcoming contract negotiations with the university.

Resume Reviews

As part of the More You Know Lunch series we have offered some sessions on how to look for a new job, but wanted to ask if there is interest in providing a peer review for some tips on your resume. We know sometimes the lunch hour is rushed and we also have members who work evening and weekend hours. If there is enough interest, we would look at doing this after 5:00 p.m. or on a Saturday. If you would be interested in having your resume reviewed or serving on the panel reviewing the resumes providing some constructive feedback, please let us know. Contact Sue Brandt brandts@msu.edu.

Save the Date – September 27

Email your answer to Sue Brandt at brandts@msu.edu by June 13, 2019. Limit of one guess per person. Two members who correctly answer will be randomly drawn to win various prizes. Must be an APA member in good standing to win; however, APA Board Members, Area Representatives and Communications Committee Members are not eligible to win.

Congratulations to last month's winners Jennifer Dawson and Scott Friend who were drawn from those who correctly answered that the building in Flint where the MSU College of Human Medicine is located use to house the former business of the Flint Journal. The bonus question last month was to name the year-round shopping building that shares part of the parking lot with CHM-Flint and that answer was the Flint Farmer's Market.
